TESTIMONIALS

BRUMBIES

We have an incredible relationship with O'Neills, it's such a well-respected name in the industry of clothing, and we are blessed to start every new season with their fantastic new kits, they fit and perform well.

Being supported by a clothing brand like O'Neills, with the history that it has, gives us a connection and makes us feel like we are all part of the same team, not just a plain group with rugby equipment. To have success everyone has to play a role, and we are respectful and thankful for the work they do. They can clear up any concern we have about equipment and clothing in time, and we have never had any difficulties in terms of meetings and deadlines.

BYRON FIELD,
HEAD OF PERFORMANCE HEALTH

WARRINGTON WOLVES, UK

O'Neills are a pleasure to work with. They provide an excellent service to the club, from concept meetings, to design to samples to full production. We are grateful to them for their ongoing support and the speed they can offer when turning products around, something we've never had with previous sportswear partners. If any other club contacts us for our thoughts on O'Neills, we always thoroughly recommend them as they provide quality products and great account management. It's a great deal for us and we hope to continue with them for many years to come.

GARY WILTON,
HEAD OF COMMERCIAL

PENRITH PANTHERS, AUSTRALIA

It's crucial our players are fitted out with high quality apparel that allows them to perform at their peak at training and in the heat of battle. With O'Neills Sportswear we know we are onto a winner. They embrace our challenging timelines meaning that we can be confident that the kit will be ready for day one of pre-season training. You can actually see the effect it has on our players. The high tech materials they use are lighter and stronger, and gives our players every opportunity to achieve their goals. It's that little bit extra that makes O'Neills and Panthers stand out from the crowd.

HOW WORKING WITH O'NEILLS IS DIFFERENT

TOTAL MANUFACTURING CONTROL

We manufacture our products using
**OUR OWN FABRICS IN
OUR OWN FACTORIES**

PRODUCT CONTINUITY

We can manufacture
the same jerseys and
apparel year after year.

SAVE MONEY & REDUCE KIT WASTE

No need to change your kits and apparel every season for the latest designs from distributors. Top-up as needed with current designs. Our policy of little-and-often make us the most flexible supplier in the business.

RAPID LEAD TIMES & SECURE MANUFACTURING SUPPLY

GET YOUR UNIFORMS & APPAREL FAST AND ON TIME

The days of ordering 6+ months in advance are over. Lead time for jerseys is 4-5 weeks. See Delivery & Lead Times section for more details. No need to worry about "global supply chain issues", we make our products in-house in Ireland.

EXCEPTIONAL CUSTOMER SERVICE

WE KNOW WHERE YOUR ORDER IS

Your tireless & dedicated account manager sees everything that happens in our factories and knows where your order is at all times. You are always informed.

WE ARE FLEXIBLE TO MEET YOUR DEMANDS

Meet tight turnarounds for events, make unique products for your club, and offer two online store solutions, are just some of the things we do to go above and beyond for our customers.

TOP TIP

For house leagues, pick a jersey design and choose not to have numbers so players can use the same jersey season after season. We can always make the exact same jersey for new players or players who need a new size.

HOW WORKING WITH O'NEILLS IS DIFFERENT

FULLY PRINTED JERSEYS (Sublimation)

We are the experts in fully printed garments.
**ALL OUR JERSEYS ARE ELITE
QUALITY FULLY PRINTED JERSEYS.**

Every design detail is printed into the fabric of the jersey via a process called sublimation.

Printed sublimation gives us
COMPLETE FREEDOM OF DESIGN
with unrivalled sharpness and clarity.

QUALITY THAT LASTS YEARS

Our jerseys are made to last years and years. The design will never fade, and with no screen printing the days of logos and numbers peeling and falling off are over.

ALL LOGOS, NUMBERS, AND DESIGNS INCLUDED IN THE PRICE

With a fully printed jersey you can have as many logos as you want without worrying about the extra costs.

TOP TIP

For house leagues, get our recreational jersey and choose from dozens of existing and popular designs. For competitive teams, get our competitive match jerseys and our in-house designers will create a completely unique look for your teams.

DID YOU KNOW?

WE SUPPLY OVER 7,000 CLUBS, SCHOOLS, AND UNIVERSITIES IN OVER 100 COUNTRIES. With our manufacturing and distribution centralized in Ireland, we send our products to anywhere in the world with exceptional speed using couriered air freight.

OUR PRODUCTION FACILITIES COMBINE TO GIVE US OVER 500,000+ SQ. FT. OF FACTORY SPACE, MAKING US ONE OF THE BIGGEST SPORTSWEAR MANUFACTURERS IN EUROPE. With most of the world's textiles manufacturing outsourced to Asia, O'Neills is the living proof that sportswear manufacturing can be successful in a higher wage economy when done properly with passion and expertise.

All REPVE® fabrics made by O'Neills are independently tested as part of the UTRUST verification program which is a comprehensive certification program designed to provide customers using REPVE® with the highest level of transparency.
